Please Pray For:

Our residents at care facilities: Carol Czarneski (Whispering Pines), Sue Ferguson (Glen Ellen), Lynne McMaster (Masternick's), Shirley Beckham (Whispering Pines).
Martha Skeels, at home, continues to recover from a fall.
Carol Ventresco, (friend of the Greenwalts) continues her fight against cancer.
Bev Price is recovering.
Leia Joy is doing better with her knee infection and using crutches, not the wheelchair now. Her good blood numbers are going up slowly and the bad numbers (the blasts, or cancer cells) are still going down. They aren't sure why, but it's much needed good news.
Becky Stearns continues to recover at home.
Bill Rupert, husband of Joan.
Bob Joy (Rob's dad)
For those having surgery or treatments or struggling physically.
For all who are grieving.
