Annotated Prayer List for 07/11/21

(Not listed in any order alphabetically or in any priority. Note that I do not always have an update on any particular request or situation. If you have an update for me you would like to share, or a new request, call or text me at 330-277-6640.)

Please Pray For:

Our residents at care facilities: Carol Czarneski (Whispering Pines), Sue Ferguson (Glen Ellen), Lynne McMaster (Masternick's), Shirley Beckham (Whispering Pines).
Martha Skeels, at home, continues to recover from a fall.
Carol Ventresco, (friend of the Greenwalts) continues her fight against cancer.
Bev Price is recovering.
Leia Joy is doing better with her knee infection and using crutches, not the wheelchair now. Her good blood numbers are going up and the bad numbers (the blasts, or cancer cells) are going down. They aren't sure why, but it's much needed good news.
Becky Stearns continues to recover at home.
Bill Rupert, husband of Joan.
Keri Gustafson is recovering very well from thyroid surgery.
Rande Joy (Rob's brother) had successful back surgery several weeks ago and is recovering well.
Bob Joy (Rob's dad)
The families affected by the building collapse in Miami-Dade, Florida.
For those having surgery or treatments or struggling physically.
For all who are grieving.
